

NACEDA SUMMIT 2023

OCTOBER 23-25
ATLANTA, GEORGIA

CO-HOSTED BY GEORGIA ADVANCING COMMUNITIES TOGETHER

BECOME A SPONSOR

After three years of successful virtual summits, NACEDA is delighted to partner with [Georgia Advancing Communities Together \(Georgia ACT\)](#) to bring the NACEDA Summit 2023 to Atlanta, Georgia.

WE INVITE YOU TO SPONSOR THIS NATIONAL FIELD-BUILDING EVENT.

THE EVENT

The NACEDA Summit is the place where community development association leaders share strategies to advance prosperity in lower-income communities. At the 2023 summit, we will explore:

- The results of the 3-year study of community-based development organizations (CBDOs) by NACEDA and the Urban Institute — and how we can use the results to increase the resources, capability, and adaptability of these local nonprofits;
- How community development associations are increasing the capacity of CBDOs — and what we can we learn from each others' successes and challenges;
- Federal policies and programs, including the EPA's Environmental Justice Grant Programs — and how community developers can maximize the benefits to historically disadvantaged communities;
- State and local policies and programs that improve community prosperity — and what associations can learn from them to serve their states or regions;
- Atlanta's community development story — and the projects and people that bring it to life.

THE AUDIENCE

The summit brings together about 200 state and regional community development association professionals and their partners from across the country. These network leaders serve nonprofit, community-based development organizations that 1) develop housing, commercial, industrial or community facilities, 2) support business development, 3) offer programs that improve the lives of lower-income people and the communities where they live.

WHEN & WHERE

The summit will be held on October 23-25 at the Loews Atlanta Hotel. Participants will tour Atlanta community development initiatives and meet with local practitioners.
