# Community Development & the Social Determinants of Health Symposium

## WHO

- ➔ Public Health Officials and Advocates
- ➔ Hospital Community Benefits Officers
- ➔ Health Insurers
- ➔ Health Researchers
- ➔ Hospital Association Professionals
- ➔ Public Health Association Professionals
- ➔ Community Development Association Professionals and Board Members
- ➔ Grassroots Community Development Organizations Serving Low-Income Communities

## WHAT

A symposium of people in the health and community development fields interested in working together to create healthier communities.

*The symposium will cover:*

- ➔ **The basics of the social determinants of health.**
- ➔ **Concrete, successful local community development models that improve the health of residents.**
- ➔ **Regional and national partnerships that bring awareness and infrastructure to the strategic intersection of health and community development.**
- ➔ **The challenges and opportunities of cross-sector partnership including sharing information and data and drawing on each others' abilities to reach to diverse communities.**
- ➔ **Strategic and public policy levers that can draw health and community development actors together to influence place-based strategies for improving health and wellness.**

## WHY

To foster local and regional partnerships that improve health and wellness in low-income communities around the country.

**SPONSORS** *The New Venture Fund with support from the Robert Wood Johnson Foundation Local Initiatives Support Corporation (LISC)*

**STEERING COMMITTEE** *Michele Craig Community Catalyst | Amy Gillman Local Initiatives Support Corporation
